

CERTIFICATE OF INTERNSHIP COMPLETION

This Certificate is presented to

Athire Rajal Santosh

Student of Computer Technology

has successfully completed an internship at **Government Polytechnic, Nashik** for a duration of six months.

During this period, the intern was involved in the end-to-end design, development, setup, and testing of a real-time project across institute lab systems. Their responsibilities include collecting and analyzing requirement, designing and implementing

software system, application.

The project, titled **Institutional Stock Control & Tracking system (IISTS)**, was created to streamline the tracking and management of institutional stock and resources. It is now in active use, improving inventory accuracy and administrative efficiency.

We acknowledge the intern's technical proficiency, dedication, and professionalism, and wish them great success ahead.
